Dear Ms. Dortch:

On Thursday, June 17, 2004, Robert Quinn and I met with Scott Bergmann, Legal Advisor to Commissioner Adelstein. The purpose of this meeting was to discuss the petition filed by AT&T for a waiver from those provisions of the Commission's Universal Service Fund ("USF") rules that require adjustments to carriers' first quarter 2003 revenue projections to be submitted not later than March 20, 2003, so as to eliminate the effect of a first quarter 2003 projection error in the annual true-up process.

We explained that the forecasting error had no impact whatsoever on the setting of the first quarter 2003 USF contribution factor, nor on AT&T's USF contribution for that period, which were based on historical revenues through that quarter. We also reiterated that granting the

waiver is necessary to ameliorate the unanticipated effect of the rule which would unfairly penalize carriers that realized greater revenues in the first quarter 2003 than they had projected.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink, reading "Amy Alvarez". The signature is written in a cursive style with a large, stylized "A" and a long, sweeping underline.
